

2020 Holiday

Happy Holidays!
From: Leelanau Coffee Roasters Co
To: You, Your Friends & Family

It's a Marshmallow World
It's a marshmallow world in the winter
When the snow comes to cover
the ground it's the time for play
It's a whipped cream day
I wait for it the whole year around
Now those marshmallow clouds being friendly
In the arms of the ever-green-trees
And the sun is red like a pumpkin
It's shining so your nose won't freeze
The world is the snowball see how it grows
That's how it grows, whenever it snows
The world is the snowball just for our soul
So get up and roll it along
It's a yummm yummy world made for sweet hearts
Take a walk with your favorite guy
It's a sugar date what a spring is late
In winter it's a marshmallow world
It's a marshmallow world
It's a snow covered world
It's yummy, yummy world
It's a marshmallow world
Lyrics by: Brenda Lee

A close-up photograph featuring two red and white striped candy canes. The candy canes are positioned to form a heart shape, with their curved ends meeting at the top and their straight ends pointing downwards. The background is a dark red and black plaid fabric. In the bottom left corner, a portion of a white, fuzzy knit cuff is visible. The overall lighting is soft, highlighting the texture of the candy canes and the fabric.
